

**How would you like me to personally walk you through the exact strategic plan I and my clients have used to create the most amicable, healthiest and respectful family divorce... absolutely for free?**

Hello My Dear Friend,

Let's talk about Divorce for a second:

Every day, there are nearly 2400 divorces. Most of them are destructive and leave the family broken apart. The couple hates each other, their finance are in disarray, and the children are caught in the middle, destroyed from losing their parents.

But it does not have to be this way!!

**In the past year, I have helped and guided hundreds of parents save their family and sanity from the madness of divorce.**

They work together as a team for their children...

They communicate respectfully toward each other and don't fight anymore...

The children are happy and safe. They feel stable and know they haven't lost their family...

The parents have found the peace and happiness they were looking for...

They spend very little money on the divorce, saving it to build their future, and their kids future...

A Family No Matter What has helped hundreds of families going through divorce in a peaceful and respectful way.

The only question you need to ask yourself is, **“Do I want to save my family from the destruction of divorce and have a beautiful happy divorced life for myself and my kids?”**

If the answer is YES, then I 'd love to share with you how we're getting these kinds of results, and I'd like to share it with you for free.

Here is how it works...

### **Right Now, you're probably stuck on one of these 3 things....**

**You want an amicable divorce but you don't think your spouse will ever be on board**, there is so much anger and resentment, and too many mean words are being said. You have tried everything in the past to change this relationship, but nothing seems to work.

OR

**You want to separate but have no idea how you will be able to move forward financially.** You feel stuck in a marriage that is hurting everyone.

OR

**You want to be happy again, but you are so scared to move forward with the divorce.** Scared of the anger, and afraid of destroying your children and family. You don't know what to do, you are petrified.

Which of those sounds more like you?

The good news is that whichever it is, I can show you a plan that will help you make it a reality...

...and I'll do it for free.

Consider this:

These are the kinds of results I get for my clients every single day. If I can do it for them, why can't I do it for you?

## **Here's How to Get My Help for FREE...**

I have set aside some time to speak to you over the news few days.

We'll get on the phone for about 45 minutes. On that call, we'll lay out a plan to help you do ANY or ALL of the three things we mentioned above.

This plan is going to enable you to **get the amicable and beautiful divorce you want for yourself and your children...**

... while **stopping the arguments.**

It's a bold promise...

But after teaching and guiding so many parents, I feel very comfortable making it.

The plan we craft together will be SIMPLE, CLEAR, and light years ahead of anything you've heard from anyone else.

After all, I am the Beautiful Divorce Lady, for a reason.

**Beautiful Divorce work. I know that if we work together, and you stay coachable, decisive, and resourceful, there is NO limit to what you can achieve in your divorced life.**

This invitation is going out to thousands of people right now, to be ready for the biggest month of divorce, in January, and as you can imagine, it's going to create a HUGE response.

That's why I need you to read this next part carefully.

**This is NOT for Everybody.  
Here's who I can help:**

I'm VERY picky about who I'll speak with, and I have a strict (but reasonable) set of criteria that needs to be met in order for us to proceed:

**1- You need to be able to hold the torch for your family.**

This offer is for parents who wants the best for themselves and their family. They want to get along and they want to keep their family safe, happy and intact. If you can do that, and you want to work **together** with your spouse toward a beautiful divorced future...let's talk.

But if you are trying to seek revenge, to make your spouse wrong for the state of your marriage, or wanting to be viewed as a victim... no offence, but this is not for you.

**2- You MUST be an action taker, who follows directions. That means you're coachable, decisive, and resourceful (don't worry, I won't ask you to do anything weird).**

If you like to start projects but never finish them or sign up for things and not follow through, this is NOT for you. Maintaining a 100% client success rate is VERY important to me. Please be someone who doesn't mess around, and is serious about results.

That's it - If you meet BOTH of those requirements, we're good.

**Here's What I want you do do next:**

If you meet the criteria above, and you'd like to talk about getting some incredible results for your divorce and your family, then I'll happily set aside some time for you.

Here's what to do next:

Go to <http://www.meetso.me/AFamilyNoMatterWhat> and you will see my calendar. Select an appointment time that works for you.

Then you'll be taken to a quick form. It's very fast and easy. I just need to know a little bit of background, your current situation and what you want to accomplish.

That's it!

The initial call will go 45-60 minutes, and it will be the BEST time you have ever spent working on your relationship.

**WARNING - TIME IS A FACTOR!**

This invitation is going to thousands of people today, and there is only so much time available on the schedule.

It's physically impossible to me to work with more than a handful of people, so it is FIRST COME, FIRST SERVED.
